LOGIQUIP® LQS WIRE SHELVING FEATURES & BENEFITS

LogiQuip's **Standard (LQS)** line of **Wire Shelving** is anything but standard. In addition to saving space, our **LQS Wire Shelving** and **Posts** begin with a carbon steel core that is double chrome plated for strength and durability that lasts. With a wide variety of configurations available to meet any of your organizational needs, our **LQS Wire Shelving Line** is flexible enough to be used virtually anywhere within your facility for easy and efficient storage.

CARBON STEEL CORE

All of LogiQuip's **Wire Shelving** and **Posts** starts with a Carbon Steel Core. This helps to ensure a strong, durable base for all of your storage needs.

DOUBLE CHROME PLATING

Each **Carbon Steel Shelf** and **Post** is **Double Chrome Plated** providing added strength. In addition to the smooth, bright finish that minimizes damage to stored items, **Double Chrome Plating** also helps to eliminate discoloration and peeling.

STRONG WIRE SHELVING

Strong Wire is used on all 36", 42", 48", 60" and 72" **Flat Wire Shelves**, allowing each shelf to hold between 600-800 pounds.

TWO-TRUSS SHELF DESIGN

LogiQuip's **Two-Truss Shelf Design** reinforces our 48", 54", 60" and 72" shelves to provide added strength and support.

1-INCH ROUND POSTS

1-Inch Round Posts provide stability to the shelving unit. Compatible with all of our **LQS Shelving**, each **Post** is notched and numbered at 1" intervals for easy leveling of each shelf.

UPGRADE WITH INTELLI-FLIP™ SYSTEM

Our patented **Intelli-Flip System** combined with our **Kanban Divides with Adaptors**, **LQS Shelves** and **Baskets** provides up-to-date inventory management. This powerful combination helps to reduce supply chain costs and stockouts.

LIMITED 5-YEAR WARRANTY

LogiQuip products are covered by a **Limited 5-Year Warranty** from date of receipt against defect in materials or workmanship under normal use and service, excluding **Electronic Components**, **Cart Covers**, and **Custom Products**. During this period, LogiQuip will, in its sole discretion, repair defects in materials or workmanship that existed when The product was received or replace the product. Visit [LogiQuip.com/Warranty](https://www.logiquip.com/Warranty) for more details.

LQS COMPONENTS

DOLLY BASES

LogiQuip **Dolly Bases** are heavy-duty all-welded and fabricated with an integral C-channel welded to a steel plate frame. The wrap-around bumper is non-marking. **Dolly Bases** are available in three (3) styles: Open, Premium Epoxy-Coated Solid Insert or Stainless Steel Solid Insert. Inserts adhere to infection control standards and function as solid bottom shelves which eliminates the additional wire shelf requirement. Other standard sizes are available on request in depths of 18" and 21" and widths of 42" and 54".

PLATE/STEM CASTERS & DONUT BUMPERS

LogiQuip **Casters** come in two options – **Plate** and **Stem**. **Plate Casters** are for use with **Dolly Bases**. The 5" **Casters** are made of non-marking polyurethane and the 6" **Casters** are designed for heavy-duty transport with premium ergonomic elastomere and are also non-marking.

5" **Stem Casters** are designed to be used with posts, and are non-marking. **Donut Bumpers** are for use with **Stem Casters** and also non-marking polyurethane. **Stem Casters** are also offered in sets (see chart for details).

LQS ACCESSORIES – CART COVERS

CART COVERS

LogiQuip® **Carts Covers** are designed to keep your supplies clean from dust, dirt, and debris. **Cart Covers** are available in three materials; Pro-Check Vinyl, 400D Nylon and 200D Polyester, 18 colors and a wide variety of sizes. Additional colors and custom sizes are available upon request.

AVAILABLE MATERIALS (FOR CART COVERS)

Pro-Check Vinyl is an antibacterial, anti-fungal, mildew resistant material that comes in nine colors.

400D Nylon is a high density durable fabric that is poly-urethane coated and water resistant, yet is still light weight and will protect your carts from dust. There are 15 color choices for **400D Nylon Cart Covers**.

200D Polyester is an uncoated, dust cover fabric. Available in five colors, **200D Polyester** is a great alternative to **Nylon**.

LQS ACCESSORIES – SHELF BINS

SHELF BINS

Build out the traditional two-bin system using LogiQuip **Shelf Bins** on our **LQS Flat Wire Shelving**. These durable polypropylene **Shelf Bins** are one-piece construction and come in a variety of sizes and colors[†] to fit any need. **Shelf Bins** can also nest inside of one another for easy, compact storage. Cross-wise **Black Dividers** are optional and sold separately unless noted below.

NOTE: Must order in the stated carton quantities listed below.

MODEL# SB120BL
