PRODUCT DESCRIPTION

This Stationary ParStor Add-On Kit doubles the storage space of our ParStor Starter Units and is ideal for use in Sterile Processing Departments (SPD) and Operating Rooms (OR). Our highest-density storage system, ParStor is designed to be used where space is at a premium. With a variety of storage accessories that extend 100%, you will have full access to surgical instruments, peel pouches, sutures, and any other needed supplies. Starter Units are required for Add-On Unites and are sold separately.
