Pace Carts

Keep pace with supply storage, work flow, and patient care.

InnerSpace

Pace carts offer choices to match your needs.

Designed to keep pace with patient care and changing storage needs, Pace carts are lightweight, easy to maneuver, and stable. Five cart heights, two widths, three drawer sizes, and a variety of accessories target healthcare supply storage for specific procedures and departments. A modular drawer system lets you specify the drawer configuration you need now and rearrange as needs and supplies change. A host of color options lets you complement your facility's decor.

Pace 33 cart with Caribbean drawer fronts: SP33WF with SP3DT (4 3"h drawers), SP6DT (2 6"h drawers), and SP9DT (1 9"h drawer)

Easy to maneuver, secure, and stable.

Cart handle designed to push/pull from side or top of handle

Antimicrobial work surface and drawer pulls

Keyed and InterConnect lock options

Lightweight aluminum case

Quiet movement, easy to maneuver

Minimal seams, clean design

Rail-attached accessories easy to attach and remove

Base design provides cart stability

Durable rounded bumpers protect walls and doors from damage

Full-swivel, lockable 5" medical-grade casters

Pace 27 Difficult Airway Cart (SP27W6 with SPDAVP)

Pace 33 cart (SP33W7) with adjustable work surface (SPAWS)

Versatility and performance

The Pace line offers carts for nearly every application and location. Add a height-adjustable work surface to a cart and turn it into a mobile workstation. Carts with smaller casters are ideal for under-counter applications, and narrow carts are perfect for places where storage space is limited.

The cart base is designed for improved stability, even when multiple drawers are open. Pace carts are warranted for five years.

Pace under-counter 21 (SP21W4U3)

Drawer sizes and combinations accommodate a variety of supplies.

Pace's modular drawer system adapts to the specific supply needs of different departments. Any combination of drawers can be specified for your cart as long as the combined height of the drawers equals the height of the cart case.

Pace 30 cart with Meadow drawer fronts: SP30WF with SP3DG (3 3"h drawers), SP6DG (2 6"h drawers), and SP9DG (1 9"h drawer)

Pace 30 cart with Meadow drawer fronts: SP30WF with SP3DG (2 3"h drawers), SP6DG (1 6"h drawer), and SP9DG (2 9"h drawers)

Pace 30 cart with Meadow drawer fronts: SP30WF with SP6DG (2 6"h drawers), and SP9DG (2 9"h drawers)

Organize drawer interiors with trays.

Tray heights are sized to drawer heights to maximize every inch of space. Trays lock into place to keep contents from shifting when carts are wheeled over door and elevator thresholds. Further organize supplies with adjustable tray dividers.

Pace transport carts have FlexCell interiors and open fronts. Trays, drawers, and baskets slide into the cells to transport supplies within a department or among floors.

Pace 21 Transport Cart (SP21WC)

Pace 30 Pharmacy Cart with 3"h clear tray and divider kit (SP30W6 with SPPVP and SCTD3)

6"h tray with 3 long and 3 short dividers (STD6)

9"h tray with 1 long and 1 short divider (STD9)

Trays are sized to fit both standard width and narrow Pace carts. Shown with 6"h narrow tray with 1 long and 3 short dividers (SNTD6)

Optional tray lid (SSTL6) for 6"h smooth tray (SST6)

Functionality is at the heart of Pace carts.

Whether you need a cart with small or large drawers, a preconfigured cart with multiple drawer sizes, or a specialty cart accessorized for specific procedures, the Pace line offers just the cart for what you need.

Pace 33 cart (SP33W7), Pace 27 Crash Cart (SP27R6 with SPCVP), and Narrow Pace 30 cart (SPN30W6)

Pace Statement of Line

Pace carts come in two widths, five heights, and with 3"-, 6"-, and 9"-high drawers. Select from six case colors and 12 drawer colors. Carts can also be specified with smaller 3"- and 4"-high casters for under-counter applications.

Pace 21 (SP21W4)

Shown with 2 3"h, 1 6"h, and 1 9"h drawer configuration
Exterior dimensions: 29"w x 24.5"d x 33"h
Weight: 105 lbs

Pace 24 (SP24W5)

Shown with 3 3"h, 1 6"h, and 1 9"h drawer configuration
Exterior dimensions: 29"w x 24.5"d x 36"h
Weight: 115 lbs

Pace 27 (SP27W6)

Shown with 4 3"h, 1 6"h, and 1 9"h drawer configuration
Exterior dimensions: 29"w x 24.5"d x 39.25"h
Weight: 125 lbs

Pace 30 (SP30W6)

Shown with 3 3"h, 2 6"h, and 1 9"h drawer configuration
Exterior dimensions: 29"w x 24.5"d x 42.5"h
Weight: 135 lbs

Pace 33 (SP33W7)

Shown with 4 3"h, 2 6"h, and 1 9"h drawer configuration
Exterior dimensions: 29"w x 24.5"d x 45.5"h
Weight: 145 lbs

Pace Under-Counter 21 (SP21W4U3)

Shown with 2 3"h, 1 6"h, and 1 9"h drawer configuration
Exterior dimensions: 29"w x 21.25"d x 30.75"h
Weight: 110 lbs

Ready with a purpose in mind.

Ten specialty carts come preconfigured and accessorized. Specialty carts can be specified in any height of a standard 29"-wide cart. Transport carts are offered for both standard and narrow carts.

Pace 33 cart (SP33W7), Pace 27 cart with Crash configuration (SP27R6 with SPCVP), and Narrow Pace 30 cart (SPN30W6)

Specialty Carts

Pace Anesthesia Cart

(SP21B4, SP24B5, SP27B6, SP30B6, and SP33B7 with SPAVP)

With upper accessory rail, set of 4 tilt bins and set of 5 tilt bins, locking Sharps container, waste basket, push handle, wraparound rail, and tape dispenser. Royal blue case and drawer fronts

Pace Cast Cart

(SP21W4, SP24W5, SP27W6, SP30W6, and SP33W7 with SPCTVP)

With upper utility shelf and waste basket. White case and drawer fronts

Pace Crash Cart

(SP21R4, SP24R5, SP27R6, SP30R6, and SP33R7 with SPCVP)

With IV pole oxygen tank holder, resuscitation board, defibrillator shelf, breakaway lock bar, push handle, and suction pump holder. Red case and drawer fronts

Pace Pediatric Care Cart

(SP27PED)

With 9 3"h multicolored drawer fronts

Pace Pharmacy Cart

(SP21W4, SP24W5, SP27W6, SP30W6, and SP33W7 with SPPVP)

With glove box holder, 2 security lock boxes, flip-up work surface, chart holder, disinfectant holder, 2 3”-high pharmacy trays, and push handle. White case and drawer fronts

Pace Difficult Airway Cart

(SP24W5, SP27W6, SP30W6, and SP33W7 with SPDAVP)
With side-mounted scope cabinet, upper accessory rails, set of 4 tilt bins, IV pole, waste basket, locking Sharps container, and push handle. White case and drawer fronts. Not available on Pace 21 carts

Pace Isolation Cart

(SP21Y4, SP24Y5, SP27Y6, SP30Y6, and SP33Y7 with SPISVP)
Yellow case and drawer fronts

Pace IV Prep Cart

(SP21W4, SP24W5, SP27W6, SP30W6, and SP33W7 with SPIVP)
With IV pole, upper accessory rail, set of 4 tilt bins, locking Sharps container, and glove box holder. White case and drawer fronts

Pace Transport Cart

(SP21WC, SP24WC, SP27WC, SP30WC, and SP33WC)
With open front, FlexCell interior, and white case

Pace Narrow Transport Cart

(SPN21WC, SPN24WC, SPN27WC, SPN30WC, and SPN33WC)
With open front, FlexCell interior, and white case

Accessories define the function of your cart.

From glove box holders and waste containers on carts used for general patient care to monitor arms to hold displays on carts in an imaging department, accessories increase the functionality of every cart.

Attaching and removing accessories is quick and easy, so changing or adding to the functionality of your cart is a snap. Here is a sampling of Pace cart accessories.

Top-Mounted Accessories

Flat Panel Monitor Arm (SFPMAP)

Tilt Bin, 4 compartment (STB4)

Top-Mounted Accessory Rail, double (SPUAR2)

Pegboard Hooks (SRPB4H, SRPB6H, SRPB8H, SRPB11H)

Adjustable work surface

IV Pole (SIVPP)

Surface Rail (SPWAR)

Defibrillator Shelf (SDSP)

Side-Mounted Accessories

Chart Holder (SCHP)

Glove Box Holder, single (S1GBHP)

Wire Basket (SSMWBP)

Sharps Container (SSCP)

Disinfectant Holder (SRDHP)

Push Handle (SPAPH)

Flip-Up Work Surface (SFWSP)

Side-Mounted Scope Cabinet (SSMSCP)

Back-Mounted Accessories

Back-Mounted Adjustable Rail (SAMRBP)

Cord Wrap (SCWP), Power Strip (SPSP)

Resuscitation Board (SRBP)

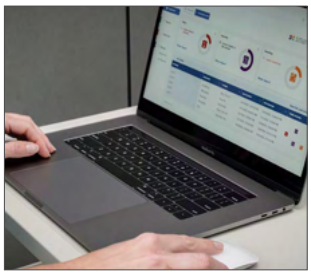
Lock options keep supplies secure.

Pace carts come standard with keyed locks, but InterConnect locks are a great option for improving efficiency and security. They have an OLED screen that can be read clearly at wider viewing angles. The keypad is designed for easy input, even when users are gloved, and on-screen prompts take the guesswork out lock access. Keypad locks can be upgraded to proximity locks.

Link InterConnect with the InnerSpace Cloud platform, and the lock becomes a WiFi-enabled lock system that lets you manage and track access of your cart fleet from a single computer, saving the time and effort that manual programming of every cart requires.

Keyed lock (standard)

InterConnect lock (SPSDLW)



InterConnect Cloud

Single drawer breakaway lock (SPSBL)

Breakaway lock bar (SPLB)

Preconfigured Carts

Preconfigured carts come with a keyed lock. Pull-out work surface is optional.

Case Colors

White | Royal | Red | Yellow | Bisque | Brushed Aluminum

Drawer Colors

Caribbean | Meadow | Lavender | Vivid Pink | Sky | Sunset

Step 2: Select drawer configuration or drawer and FlexCell combination and drawer front color

You can outfit your Pace cart with drawers or with a combination drawer and FlexCell configuration.

For drawers only: Determine the number of drawers per cart and then the drawer combination. Any drawer configuration can be specified as long as the total combined height of the drawers equals the height of the cart case.

Standard Cart

For drawer and FlexCell combination: For a drawer(s) and FlexCell combination, at least one drawer is required in the top-drawer location on the cart. Additional drawers can be specified. To determine the number and size of FlexCell sections for the cart interior, make sure the total combined height of the drawer(s) and FlexCell sections equals the height of the cart case.

Standard Cart

FlexCell Section Size	Product Number

Product Description	Product Number
Caster, 3"h	SCASTER3
Caster, 4"h	SCASTER4

InnerSpace specializes in solutions for all areas and departments within a healthcare facility.

We offer carts, cabinets, open storage, and accessories for supply storage, products with embedded technology for improved efficiency and security, and the Ventaire™ Endoscopy System for the storage, drying, transport, and reprocessing of endoscopes.

InnerSpace is here to help you specify the best products for your needs, whether a standard option or customized solution. We offer complimentary storage analysis and design services. Contact our Customer Service team with your requests or to connect with a sales representative, and find InnerSpace products on GSA Advantage, Premier, and Vizient contracts.
