The EIT standards can be found at www.Section508.gov/ : **Not Applicable**
25. Data Universal Number System (DUNS) number: **079140478**
26. Notification regarding registration in System for Award Management (SAM) database: **Yes, registered**

Warranty

Solaire Medical storage systems are warranted to the original purchaser to be free from defects in material and workmanship for a period of five (5) year from the date of purchase. Solaire Medical custom products are warranted to the original purchaser to be free from defects in material and workmanship for a period of one (1) year from the date of purchase. Solaire Medical electronics are warranted to the original purchaser to be free from defects in material and workmanship for a period of one (1) year from the date of purchase. The warranty does not cover consequential damages or incidental damages incurred by the customer.

In addition to the Solaire Medical commercial warranty, as revised, Solaire accepts the Government Clause at 52.212-4(o) and (p) as a Supplement to the Commercial Warranty as follows:

52.212-4(o)

Warranty: The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. In the event that the terms of the contractor's standard commercial warranty conflicts with the warranty terms contained in this clause, the terms of this clause will govern this contract, unless some other resolution is specified in the award document.

52.212-4(p)

Limitation of liability: Except as otherwise provided by an express warranty, the contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor's standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor's liability than do the terms contained in this clause, the terms of this clause will govern the contract.

Returned Goods Policy

While we strive to make sure all of our customers are 100% satisfied, there are circumstances where a product needs to be returned. To ensure we are able to make this process as painless as possible for our customers please take a second to review the Solaire Return Policy.

- All returned items must have a Returned Materials Authorization (RMA) number issued by a member of the customer service team. In addition, all returned products must be in new, salable condition. The customer will incur all freight charges on returned items. If the customer receives incorrect merchandise, Solaire Medical will waive return freight and restocking charges. In this situation a return authorization number is still required.
- Accessories -The customer may return standard accessories with an authorized RMA within 30 days without being assessed a restocking fee. If the item is returned between 30 and 90 days, there will be a 15% restocking fee applied to the credit. Solaire will not accept items after 90 days without the sales manager approval. If additional items are returned without authorization additional restocking fees may incur. There is no restocking fee for delivery errors.
- Roll Top Cabinets and Carts - If a customer would like to return a standard product (cabinet/cart) within 0 -90 days after purchased there will be a 15% restocking fee added. There is no restocking fee for delivery errors. Standard products will not be allowed to be returned after 90 days from purchased date.

Custom and Evolve Casework-We do not accept returns on custom products or Evolve hinged door casework (including stainless steel), due to the custom nature of the series.
