Returned Goods Policy

All product returns, whether for defect or otherwise, require the prior written authorization of Excel Supply Company, which must be obtained through the Customer Service Department, which can be reached at:

glovelady@excelsupplycompany.com or call 253-896-1195.

Once a return is authorized, Excel Supply Company will provide a Return Merchandise Authorization Number (RMA). The ordering facility will return the merchandise within 30 days of receipt of the RMA for a 100% credit. Product returns after 30 days will receive a 10% restocking fee.

If a shipping error occurs due to Excel Supply's error, then Excel Supply will pay freight both ways for return/exchange of the products. If an ordering facility error occurs, the ordering facility will pay return freight.

Warranty and Limitation of Liability

Excel Supply Company, Inc. accepts the Government Warranty and Limitation of Liability provision as set forth in 52.212-4 (o) & (p) (tailored).

Excel Supply Company, Inc. and its manufacturers stated on this contract warrant all products to be free from defects in material and workmanship under normal use and service for the period of three months from the date of shipment. Excel Supply Company, Inc. and its manufacturers stated on this contract or proposal warrant all products sold to meet standard industry specifications. Any product that fails to meet industry standards and company specifications within three months of shipment will be repaired, replaced, or credit issued at Excel's discretion. This warranty does not extend to products that have been modified, damaged, or rendered defective as a result of accident, abuse or failure to perform required preventive maintenance.
