

MDR245SS

14.88" x 23.5" x 23.25" (H x W x D)

Built-in drawer microwave oven for 24" wide openings with stainless steel trimmed front and black window

Highlights:

24" wide drawer microwave oven for in-wall or island installation

One-touch access to open and close the drawer

Attractive modern style in brushed stainless steel

Product Features:

24" wide drawer microwave	Built-in microwave designed for installation in wall or island openings
Easy access with touch open/close	Simply hold down the "open" and "close" buttons to access the microwave with minimal effort
Top-load design	Slide-out drawer lets you check your cooking without removing it from the microwave, helping to reduce spills
Large capacity	1.2 cu.ft. interior offers plenty of space for large dishes
Stainless steel finish	Exterior features a brushed stainless steel trim to elevate your kitchen design
Blade style handle	Brushed stainless steel in a modern shape that suits any kitchen style
Easy-to-read controls	Control panel is set at a slight angle, making it easier to read all of the functions in any position
One-touch cooking	Includes buttons for popcorn, beverages, melting, and softening
Melt and soften options	"Melt" setting lets you choose from commonly melted items (butter, chocolate, cheese, or marshmallows) and "soften" lets you choose from butter, ice cream, or cream cheese
