

# #5000 BED RAIL ADVANTAGE TRAVELER

*Portable bed rail with free organizer*

Standers' Bed Rail Advantage Traveler is very versatile and the most portable bed rail on the market! It provides extra support so that you can pull yourself up and get out of bed safely without relying on the aid of a caregiver. The Bed Rail Advantage Traveler requires no assembly. Simply slide the base between the box spring and mattress of any sized home or hospital bed and secure the safety strap to the other side of the bed frame. It can be placed on either the left or right side of the bed and at 22" high will accommodate taller pillow top mattresses. Constructed out of heavy duty stainless steel, the Bed Rail Advantage features a black power coated finish that is pleasing to the eye and a cushioned foam grip that is easy to sanitize. The rail is 17" wide, offering ample surface space to grab onto. Place small items such as reading glasses or the TV remote in the included Bed Rail organizer so that they are within arms length.

No assembly required, handle folds down for storage and portability, comfortable foam grip handle, 22" high to accommodate thicker pillow top mattresses, can be placed on either side of the bed, safety strap-secures bed rail to bed frame
