

Invacare is pleased to offer our valued professional health care providers the Invacare Health Care Provider Merchandising Program. This program has been exclusively designed to provide health care providers with the tools and support necessary to build consumer sales. This professional merchandising program contains the following tools:

- Retail Product Packaging
- Planograms
- Point-of-Sale Displays
- Signage

Planograms provide the health care provider with pre-designed product layouts in 4', 8' and 12' sections. Planograms provide recommended product location, quantity, and hook size. In addition, planograms include product displays and signage.

For additional information and support building consumer sales, contact your Territory Business Manager or the Health Care Provider Merchandising Department and Hot Line at 1-800-333-6900, ext. 6890.

Planogram designs are subject to change without notification. Contact 800-333-6900 ext. 6890 for up-to-date information.

Invacare® Personal Care Products

I-Class™ Designation

Personal Care Products with the I-Class™ description are Invacare's best products. They provide the highest level of comfort, performance, features and value.

Bariatric/Heavy-Duty Designation

Invacare products with the Bariatric/Heavy-Duty icon are designed for your bariatric patients whose height and weight require use of a heavy-duty model. These products provide the same quality as all Invacare products. They also demonstrate our commitment to this product category.

Retail Packaging

Certain Personal Care Products are offered in attractive, consumer-oriented packaging. They can be displayed on pre-designed planograms to help build retail business and increase consumer awareness. Look for the Retail Packaging symbol within this catalog to easily identify these products.

Invacare has always taken pride in improving the lives and increasing the freedom of all of your clients. Our products are designed with their unique needs in mind, and this year's line of Personal Care Products is an outstanding example. This comprehensive range of reliable, high-quality products includes transfer benches, toilet safety items, shower chairs, crutches and canes; heavy-duty products to address the needs of the growing bariatric population; and new additions including our Rollite™ Rollator, Bariatric Commode and Bariatric Crutches. It all adds up to the most comprehensive, exciting line of Personal Care Products we've ever offered. We're proud to make it possible for you to offer them to your clients.

Invacare® Folding Mechanisms

Our folding mechanisms make it easy to open and close the walkers, even from a seated position. And they fold easily for transport or storage.

Single-Release

- Ergonomic release button allows walker to be folded with one hand
- Button provides both visual and audible "locked" cues

Dual-Release

- Paddles "pop up" when walker is opened
- Nylon paddles are resistant to cracking or shattering

Standard Walker

- Buttons "pop up" when walker is opened

Invacare® Stardust™ Rollator

Model no. 65900 - Color: Jewel Green

The patent-pending Stardust rollator features a second bar which serves as a convenient transport handle. The footrest can be used as a curb climber for precision control. Easy-to-operate ergonomic handbrakes lock the rear wheels for security.

Ergonomic handbrake is easier to use than traditional cable brakes, with a wide, flat surface for better placement of palm and hand. To lock, simply push down.

The backrest's removable foam pad (standard on Model no. 65900) provides comfort.

The Curb Climber, model no. 65406 (standard on Model no. 65900) allows for precise control when negotiating curbs and also can be used as a footrest. Available as an accessory for 65900 and 65500.

Invacare® Sandstorm™ Rollator

Model no. 65800 - Color: Denim Blue

The durable, lightweight Sandstorm rollator offers easy-to-operate, ergonomic handbrakes that lock the rear wheels for security. It provides increased flexibility, allowing users to perform daily activities with less fatigue. The sturdy seat has a removable foam-padded backrest for comfort.

FEATURES

- Folds easily with basket attached
- Removable foam-padded backrest provides comfort; can be easily removed, allowing rollator to be folded into a compact unit for storage

The backrest (on model nos. 65700 and 65800) can be easily removed, allowing the rollator to be folded into a compact unit for storage.

Invacare® Frontier Lite™ Rollator

Model no. 65700 - Color: Metallic Burgundy

Lightweight and durable, the Frontier Lite frame offers increased flexibility to perform daily activities with less fatigue. Rubber tips and 5-inch wheels combine to provide greater control and maneuverability. The sturdy seat has a foam-padded backrest for comfort.

FEATURES

- Push-down brakes lock when user is in a seated position
- Folds easily with basket attached
- Removable foam-padded backrest provides comfort and can also be easily removed, allowing rollator to be folded into a compact unit for storage

Invacare® Stingray™ Rollator

Model no. 65500 - Color: Blue-Grape

Features easy-to-operate ergonomic handbrakes that lock rear wheels for security. Sturdy seat with flexible and adjustable backrest adds to a comfortable fit.

Invacare® Spartan™ Rollator

Model no. 65420 - Color: Teal

Attractive lattice frame provides additional carrying space for larger objects. Easy-to-operate ergonomic handbrakes lock rear wheels for security.

Invacare® Three-Wheel Rollator and Tote Bag Accessory

Invacare® Sprint™ Rollator

Model no. 65400 - Color: Blue

Features adjustable handle height for a custom fit; easy-to-operate ergonomic handbrakes lock rear wheels for security.

Invacare® Sprint™ Tote Bag

Model no. 65404

Designed specifically for the Sprint three-wheel rollator, the tote bag attaches easily to the frame.

FEATURES

- 8" long from center
- 8½" wide from center
- 14" depth
- 10 lb. weight capacity
- 1-year limited warranty

From standard crook to variety packs, Invacare offers a stylish and unique line of canes. With a wide assortment of hand grip styles, you can fit virtually any of your clients with ease.

The Invacare® Grip

- Our familiar triangular-shaped grip. The flat top helps reduce the stress a user's hand may experience through everyday cane use.

The Foam Grip

- The smallest of our grips, providing a cushioned feel that's ideal for delicate hands. The foam grip is made of a soft, spongy material that resists the typical "breakdown" that often occurs over time.

The Dual-Cam Grip

- This slightly smaller grip also utilizes a flattened top to help reduce stress on the hand. Its ergonomic shape provides the user with a form-fitting gripping area.

Cane Tip and Collar

- Locking adjustment collar secures cane at desired length. Tips feature reinforcing metal insert for longer wear.

Invacare's new line of Bariatric Crutches will provide support, strength and comfort for consumers up to 550 pounds. Crutches range in sizes from junior to tall adult. Large, double push- buttons allow for height adjustments in 1" increments.

NEW
Invacare® Bariatric Crutches

Model nos. 8130-J, 8130-A, 8130-T

Strong and comfortable, Invacare's Bariatric crutches range in sizes from junior to tall adult. Large, double push-buttons allow for height adjustments in 1" increments. Crutch frame offers durable steel construction.

FEATURES

- 550 lb. weight capacity
- Push-button height adjustment
- Patient height guide on crutch for easy adjustment
- Contoured underarm design
- Arm pads (model no. 7131), hand grips (model no. 7126) and 2" crutch tips (model no. 6135) also available as accessories

Invacare® Forearm Crutches

Model no. 6152 – Junior
Model no. 6153 – Adult
Model no. 6154 – Tall Adult

Forearm crutches feature vinyl-coated 1-inch solid aluminum cuffs, cushioned vinyl hand grips and extra large crutch tips.

Invacare® Quick-Change Crutches

Model no. 8115-J – Junior
Model no. 8115-A – Adult
Model no. 8115-T – Tall Adult

Invacare quick-change crutches offer a solid one-piece crutch frame in lightweight anodized aluminum with push-button height adjustment and contoured hand grips.

Invacare® Quick-Adjust Crutches

Model no. 8120-J – Junior
Model no. 8120-A – Adult
Model no. 8120-T – Tall Adult

Push handle lock
for quick hand grip
adjustment.

The one-piece hand grip assembly eliminates the need for wing nuts and other assembly pieces. Plus, the push-button height adjustment and patient height guide allow the crutch to be fitted to the proper user height. This patent-pending model comes completely assembled for the user's convenience.

nvacare grab bars are designed to give added security in and around the bathroom, and provide years of trouble-free service.

Invacare® Residential Grab Bars

Firmgrip Grab Bars

Model nos. 312-3, 316-3, 318-3, 324-3, 332-3

These grab bars include a soft-to-the-touch, Firmgrip white vinyl coating; sturdy all-steel construction with 3 1/4-inch wall clearance, and a 1-inch O.D. gripping area.

Knurled Grab Bars

Model nos. 512-3, 516-3, 518-3, 524-3, 532-3

Our knurled grab bars are constructed of heavy-gauge steel for added stability with a knurled, chrome-plated finish that is rust-resistant. They mount in a variety of angles to a wall's structural supports, with rubber gaskets to protect the wall surface.

Invacare® ANSI/ADA Compliant Grab Bars

1 1/2" Gripping-Surface Stainless Steel Grab Bars, Exposed Flange

Model nos. 2712-3, 2716-3, 2718-3, 2724-3, 2732-3, 2736-3, 2742-3

Offering sturdy, welded stainless steel construction, these grab bars come in a polished stainless steel satin finish with stainless mounting hardware included.

Invacare® I-Class™ Tub Bar

Model no. 705-4

The Invacare I-Class tub bar provides two gripping surfaces. The upper gripping position allows users to easily enter the tub without turning the wrist or body. The lower gripping position allows users to lower into or rise from a seated position in the tub.

FEATURES

- Easy-to-adjust locking mechanism allows users with limited dexterity to lock bar securely
- Lightweight, portable and waterproof
- No tools or assembly required, making installation easy
- Attractive white molded bar blends well with most bathroom decor
- Non-skid pads protect tub wall

Specifications

Invacare® Soft-Touch Vinyl Tub Bars

Invacare soft-touch vinyl tub bars offer safety, comfort and convenience while getting in and out of the tub. Shipped assembled, these tub bars feature a chrome-plated finish and rubber-protected mounting clamps. A mounting wrench is included.

Invacare® Soft-Touch Vinyl Tub Bar

Model no. 110-3

- Soft-touch, Firmgrip, white vinyl gripping area

Invacare® Soft-Touch Vinyl TriGrip Tub Bar

Model no. 1210-3

- Three Firmgrip gripping heights

Invacare® Soft-Touch Vinyl Tall Tub Bar

Model no. 725-3

- Soft-touch, Firmgrip, white vinyl gripping area

The Invacare I-Class bath board has a textured, non-slip seating surface for those who need help transferring but do not need the support of a transfer bench. It easily clamps to the side of most tubs, is easy to clean and includes a soap tray.

Invacare® I-Class™ Bath Board

Model no. 9664

- One-piece blow-molded design
- Wide, comfortable seating surface
- Ergonomically positioned drain holes allow consistent drainage
- Hand-held shower holders are molded in for convenience
- Simple-to-tighten adjustment knob for users with limited dexterity
- Non-slip rubber pads protect bathtub surface

Invacare® Hand Showers

Invacare hand showers are lightweight and feature a wall bracket for mounting on the shower wall and a white finish.

Deluxe Hand Shower

Model no. 828-4

- Adjustable head provides a choice of fine or firm spray, pulsating massage spray or a combination spray
- Comes standard with 7' metalized hose
- On/off switch

Standard Hand Shower

Model no. 826-4

- Adjustable head provides a choice of fine, firm or pulsating spray
- Comes standard with 7' nylon reinforced hose

Invacare® Bath Mat

Model no. 815-6

- For bath or shower
- Provides excellent non-slip protection
- Suction cups secure mat to the tub surface
- Embossed off-white surface
- Constructed of 100% rubber
- 28" x 17 $\frac{1}{2}$ " size allows mat to fit in most tubs

Invacare® Tub Spout

Model no. TS301C

- Allows direct water flow through the tub spout or the hand shower
- Replaces standard spout
- Constructed of durable, chrome-plated solid brass

Invacare® Diverter Valve

Model no. DV401C

- Allows direct water flow through an existing shower head or the hand shower
- Constructed of durable, chrome-plated solid brass

All adjustable-height Invacare commodes include a snap-on seat with pail. They offer armrests for comfort, angled legs for stability, non-skid rubber tips for safety and an anti-rattle collar that reduces noise.

Invacare® Bariatric Commode

NEW

Model no. 6499-BHD

The new Invacare Bariatric Commode is designed to suit the needs of bariatric individuals weighing up to 700 pounds. With its extra wide seat and durable steel frame design, it offers users the strength and comfort they need.

Extra wide snap-on seat
with hygienic opening.

Features

- 700 lb. weight capacity
- Extra wide snap-on seat with lid
- Lid upholstery can be reversed for added comfort
- Hygienic seat opening
- Seat flips up for easy cleaning with rectangular pan removed
- Can be used bedside or with backrest removed; can act as a toilet safety frame or raised toilet seat
- Bottom seat lip eliminates the need for splash shield if used over the toilet
- Rectangular pan can be removed from the front or rear of the commode
- Adjustable seat-to-floor height
- Rectangular pan (model no. 13245X000) also available as an accessory

Our adjustable-height drop-arm commodes accommodate transfers in restricted areas. The drop-arm lever operates simply: lift to lock or push to release. Features include chrome-plated, 1-inch welded steel tubing, armrests for added comfort, angled legs for added stability and an anti-rattle collar for less noise. Commodes can be converted to mobile models with optional wheeled legs.

Invacare® I-Class™ Drop-Arm Commode

Model no. 9671 (single)

- Large clamp-on seat and lid
- Clamp-on upholstered backrest
- Slip-on, padded-seat upholstery
- Water-repellent and removable upholstery

Invacare® Drop-Arm Commode

Model no. 9669 (single)

- Snap-on seat and lid
- Pail with lid
- Can be used over the toilet with use of optional splash shield

Invacare® Rehab Shower Commode Chair

Model no. 6690 - 5" casters with 18½" seat

Model no. 6490 - 5" casters with 16" seat

Model no. 6692 - Pneumatic tires with 18½" seat

Model no. 6492 - Pneumatic tires with 16" seat

Model no. 6695 - Urethane tires with 18½" seat

Model no. 6495 - Urethane tires with 16" seat

The Invacare rehab shower commode chair has a corrosion-resistant coating, making it ideal for use in the shower. It's lightweight, durable and folds easily for transport or storage. It features armrests for comfort, two-tier pan height, variable seat widths, and wheel options for a custom fit.

Standard Features

Padded Seat

- Seamless Ensolite™ seat contains high-density foam padding that is water-resistant
- Textured surface prevents slipping
- Seat easily rotates into four positions for bathing and showering convenience

Swing-Back Arms

- Allow for easy transfers
- Stay attached to chair

Footrest with Quad Release

- Swingaway footrest easily adjusts up and down into four positions without the use of tools
- Quad-release handle enables users with limited dexterity to easily move footrest out of the way

Rear Wheel Options

24" Urethane Tires

- Low-maintenance tires
- Provide smooth ride, even on carpet
- 24" composite mag wheels
- Composite hand rims
- Wheel locks

24" Pneumatic Tires

- Provide smooth, cushioned ride, particularly on hard floors
- Give user additional traction for bathroom floor surfaces
- Require less effort to self-propel chair
- 24" composite mag wheels
- Composite hand rims
- Wheel locks

5" Casters

- Allows chair to fit through narrow doorways and passages
- Attendant care required; self-propel option not available

Accessories

Directional Locks

Model no. 6297

- Keep casters locked in place; prevent casters from swiveling
